We are pleased to offer to our out-of-town workshop students the option of housing at the Our Lady of the Holy Spirit Retreat Center. The \$45/night rooms are situated in a dorm style hallway with restrooms and showers down the hall. Linens and towels are provided. No food is included in the cost though there is a kitchen on the retreat floor. Also, there are many restaurants within a one mile radius of the retreat center. Retreat center is not air conditioned. Rooms are on an upper floor which is only accessible by stairs, there is no elevator. Transportation to the workshop location, about a 20 minute drive from Norwood to Madeira, is the responsibility of the student.

Rooms are available 6 nights: Sunday, September 24 – Saturday, September 30, 2017. Please contact the center's director, Linda, at events@olhsc.org, for more information or to reserve a room.
