"The curriculum this year for the Church School is 'The Life of Christ'. With that in mind, this year we will link the Fall Adult Education Class with the Church School, and together make this the center of our study. Therefore, to follow our long-standing tradition of reading a book together in the Fall as the basis of our class sessions and discussions, I have chosen a fairly new book

by Fr. Patrick Reardon, titled *The Jesus We Missed - The Surprising Truth About the Humanity of Christ*. Fr. Patrick is a prolific writer and an excellent biblical scholar. This latest of his publications is filled with a constant stream of insights into the Gospels' portrayal of Christ. It should lead to some exciting and revealing discussions."
