For our 2015 Fall Adult Education Class (six sessions from Monday, October 19 to Monday, November 23) we will be studying, *Eastern Orthodox Theology - A Contemporary Reader*.

This book is a collection of essays from some of the most prominent Orthodox theologians of the 20th century. It is their unique theological contributions that have shaped the over-all theological, ecclesiological and liturgical vision of the OCA throughout some of its most formative years. We will read essays by Frs. Florovsky, Meyendorff and Schmemmann, and also from V. Lossky and possibly a few others.
