# A Word From Father Steven

Welcome back students and teachers to our Church School year of 2021-2021! It is so good to return to our classes after a lost year struggling with the pandemic. We thank God for this! Although we remain vigilant, we are now "up and running." We had 37 students present for our first Sunday, so I encourage every parent to maintain that level of commitment as the year unfolds. How exciting and rewarding this year should prove to be as our theme is "The Life of Christ." You will all first encounter and commune with Christ in the Liturgy, and then take that uplifting experience into your respective classes to learn more about Christ. I wish one and all - students and teachers - a meaningful and fruitful Church School year!

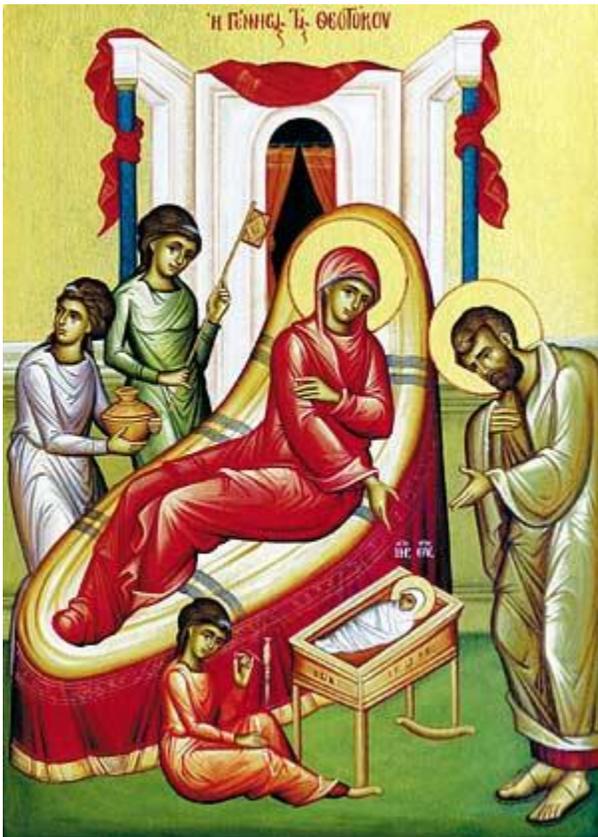

## MEET THE TEACHER Terrie Sauer

Terrie is married to Dn. Johnathon and has been teaching the Kindergarten & 1<sup>st</sup> grade class for 15 years at Christ the Savior. Showing children the wonders of the church, its traditions, and instilling the love of Christ in them are just a few reasons why she loves to teach church school. Terrie also serves as our Church School Director where she oversees the operations of our church school and plans service projects.
