In this year's Fall Adult Education class we will read, explore and discuss the book *For the Life of the World - Toward a Social Ethos of the Orthodox Church*, edited by David Bentley Hart and John Chryssavgis.

Published by Holy Cross Orthodox Press, this book "imparts a much-needed roadmap for navigating modern-day challenges with the wisdom of the Orthodox spiritual tradition.

It delves into such critical issues as racism, poverty, injustice, human rights, reproductive technology, bioethics, and climate change."
